**Subject:** SG Statement - Ottawa Situation

We are in receipt of the request from Mayor Watson for significant additional operational resources for Ottawa. We have shared this request with the Commissioner of the Ontario Provincial Police, who will need to liaise with Chief Sloly to determine how exactly our policing partners can provide support based on available policing resources and the operational plan proposed by the Ottawa Police Service.

**On background:**

We expect this process to take at least 24-48 hours.
